

## **The Final Standing for Family TEAM competition in AoIG 2023 GRAND FINALE**

(This time, NO tie break was needed, as TEAMS were separated by half point – in a top 3 places for trophies. However in 4-5<sup>th</sup> there was a TIE, down to tie breaker : the lowest sum of the placement numbers Fishman 13+41 = 55; Kuchko: 20+24 =44, **just in case if this number would be the SAME, the 3<sup>rd</sup> criteria is a personal meeting between team members, that would swing the scale toward FISHMANS, since Daniel FISMAN won against Sergiy KUCHKO in a final round** )
